

We Make Champions For Life

International School of Education and Sports

Grades 6–12 | Intellectual • Academic • Athletic

Port St. Lucie, Florida

THE RPS DIFFERENCE

The International Standard in Youth Development. Where Intellect, Academics, and Athletics Unite.

Building the next generation of scholar-athletes — into *Champions For Life*.

Port Saint Lucie,
Florida

Advanced Academic Program

Cambridge* AICE + AP Curriculum. Small cohorts. Expert mentorship for global and NCAA university success.

Elite Multi-Sport Pathways

Professional training in Tennis, Golf, Soccer, and Volleyball — cultivating discipline and resilience.

Wheel Intellect Program

Weekly experiential learning that connects innovation, leadership, and real-world performance.

*Cambridge Candidate School

The Mind of a Champion. Where Intellect Becomes Performance.

World-Class Academics Built for the Modern Scholar-Athlete.

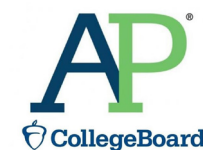

RPS Academies offers a rigorous academic program for grades 6th through 12th aligned with Florida Department of Education 2023+ graduation standards and the Cambridge* AICE Diploma program. AICE is a prestigious pre-university qualification earned through completion of Cambridge International AS and A Level courses.

*Cambridge Candidate School

“We don’t just build champions in sport — we build champions for life.”

*Academic excellence isn’t taught
— it’s lived every day at RPS.*

Global Curriculum

 Cambridge* AICE + AP courses accepted by the world’s leading universities. Every lesson connects knowledge to purpose.

Individualized Mentorship

 Small class sizes. Teachers shape the mind while coaches develop the game.

Real-World Readiness

 SAT/ACT test prep, leadership training, and college-level programs prepare students for the competitive edge of modern academia.

*Cambridge Candidate School

Where Intellect, Academic and Athletics Connect.

20+ additional AP courses through FLVS

Weekly Innovation. Real-World Application.

The Wheel Intellect Program transforms traditional education into experiential learning. Students rotate through four unique 9-week experiences per year. Each week includes two 90-minute courses where students engage in hands-on, projectbased learning connected to intellectual & athletic performance, leadership, and career readiness.

Wheel
INTELLECT
PROGRAM

Each course blends theory with application — empowering students to think critically, collaborate effectively, and lead confidently.

Where Passion Meets Precision.

RPS integrates elite athletic training with academic excellence. Each student follows a customized performance pathway designed for professional or collegiate success.

SPORTS PROGRAMS	
<p>Tennis</p> <p>Elite Environment - A True Culture of Champions</p>	<p>Soccer</p> <p>Collegiate and Professional Pathways</p>
<p>Golf</p> <p>Desire - Coaching- Mental - Physical Performance and Nutrition</p>	<p>Beach Volleyball</p> <p>Olympic-Level Training</p>
<p>Performance</p> <p>Performance-Focused Sport Specific Fitness Programs</p>	

Through daily technical sessions, sports science integration, and personalized coaching, RPS develops athletes who think as strategically as they compete.

Science-Driven Training. Purpose-Driven Results.

The RPS System integrates physical, mental, and emotional development to achieve peak results.

World-Class Coaching – Our coaches have developed national champions and professional athletes across every RPS sport — bringing global expertise and decades of elite-level experience to every training session.

“Behind every champion is a system — and at RPS, we’ve built one.”

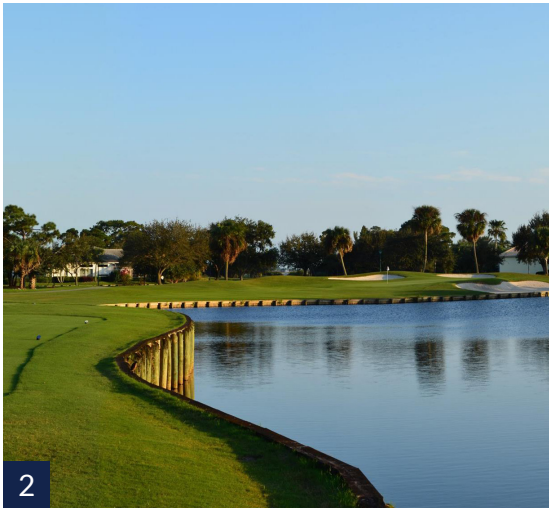

“Mastery demands training the three spheres—physical, mental, and competitive—together.”

— Gabe Jaramillo, CEO of RPS Academies

Developer of 27 ATP/WTa Top-10 Players

GABE JARAMILLO

Built for Scholars. Built for Champions.

*Where Learning and
Performance Come
Together as One.*

Your Child's Second Home

— Built for Excellence, Filled with Heart.

*A Life-Changing
Environment for
Life-Shaping Years.*

A Global Family. United by Excellence.

RPS students represent over 30 countries — bringing together diverse perspectives, cultures, and languages in one shared pursuit: *greatness*.

Excellence knows no borders. At RPS, every student contributes to a living network of global thinkers, athletes, and innovators — learning from one another, competing together, and building friendships that cross continents.

Global Reach.
Local Heart.

A large graphic featuring a world map with a network of yellow lines connecting various points. Overlaid on the map are numerous small, semi-transparent portraits of diverse students from different backgrounds and countries. The overall theme is global connectivity and community.

A global community
— 30+ nations learning, training,
and growing together.

A Home Away From Home.
At RPS, students build lifelong
friendships, grow as individuals, and find
a second family, one that spans the globe.

RPS ACADEMIES | We Make Champions For Life

The Result of Excellence. Where The RPS Journey Leads.

RPS graduates earn placement and scholarships at the world’s most respected universities — proof that our system works both on and off the field.

Each year, RPS scholar-athletes receive millions in scholarships and placement at elite institutions. Our students don’t just compete for admission — they arrive prepared to lead.

*Champions for Life.
Leaders for the World.*

We Make Champions For Life

Excellence is not found in one arena.
It lives where intellect meets
discipline — where the pursuit of
mastery becomes a way of life.

*The International Standard
in Youth Development*
